Greetings to all Information Professionals, Exhibitors and Friends,

I bring warm greetings to you as President of the Association of Caribbean University, Research and Institutional Libraries (ACURIL) 2017-2018.

I am very happy to invite all ACURILEANS, Information Professionals, Exhibitors and Friends to participate in the 48th Annual ACURIL Conference to be held in the Dominican Republic from June 3-7, 2018. The theme of the conference is entitled *Open Access in Caribbean Libraries, Archives and Museums: Opportunities, Challenges and Future Directions*.

The conference programme will feature dynamic Keynote Speakers, presenters of papers, workshops and poster sessions and ACURILEAN Exhibitors. It provides an opportunity for you to explore possibilities and develop collaborative initiatives to transform your libraries, archives and museums using Open Access technologies and a space for information sharing, learning and professional development.

The Local Organizing Committee in the Dominican Republic is actively organizing the event to host a successful conference, therefore I look forward to your support and participation in the 2018 ACURIL conference.

I look forward to welcoming you personally in Santo Domingo, June 3-7, 2018.

Cordially,

Kumaree Ramtahal (Ms.)
President ACURIL 2017-2018
